Subject: EPA POC on Legal Redress

Raffi/Allie,

Melanne Civic, Assistant General Counsel for International Environmental Law, can serve as EPA's POC for Legal Redress for Ukraine. She is formerly from the State Department and can be useful in brainstorming legal approaches that could aid Ukraine.

Also, have you had a chance to share the 38page document from Ukraine yet? I would like to share with EPA's National Incident Coordination Team.

Thanks, Mark
